

**NOVEMBER 2015
THE VERDICT**

A FIVE-YEAR RECORD OF SUCCESS

King and Murray PLLC is proud to announce that it celebrated its five-year anniversary this past month. We would like to sincerely thank all of our clients and colleagues who have supported us and we look forward to serving our clients for many more years to come. As we look back on five years, we are stronger than ever, yet we know that the best is still to come.

We continue to represent individuals, closely-held companies, and large companies such as Ford Motor Company, FCA USA LLC (f/k/a Chrysler Group LLC), Credit Acceptance Corporation, Capital One N.A., and Quicken Loans Inc. in obtaining favorable results. Here are just some highlights from the past five years:

- ◆ King and Murray sought over \$10 million in damages and successfully obtained a confidential settlement on behalf of the City of Detroit against a former police monitor and her various employers alleging, among other things, breach of contract.
- ◆ King and Murray represented a locally-based automobile manufacturer in a construction dispute, which resulted in a \$7.9 million judgment.
- ◆ King and Murray continues to arbitrate cases throughout the country on behalf of a large, locally-based consumer lender over alleged violations of various consumer statutes, including the Telephone Consumer Protection Act. To date, we have obtained several favorable arbitration awards on behalf of the client.
- ◆ After being turned away by several other law firms, an individual client was referred to King and Murray by a large, Detroit-based law firm to pursue the proceeds of his mother’s seven-figure life insurance policy. The insurer initially denied the claim; however, after pursuing the insurer for several months, the insurer gave up and agreed to pay 100% of the proceeds of the life insurance policy to the client. Needless to say, both our client and the referring attorneys were thrilled.
- ◆ Both Stephen W. King and Thomas J. Murray have been named Michigan Super Lawyers and DBusiness Top Attorneys over the past five years. In addition, Mr. Murray has been named in the Top 100 lawyers in Michigan and Top 50 business lawyers in Michigan for 2014 and 2015.
