King & Murray Prevails On Behalf of Owner Of Assisted Living Facilities

BIRMINGHAM, MI – November 20, 2010 King & Murray PLLC is pleased to announce it has obtained a successful result for a company that operates assisted living facilities throughout the nation.

The United States Bankruptcy Court for the Eastern District of Michigan granted the client's motion to dismiss, which was filed by King & Murray, dismissing the only 2 counts in which the Plaintiff was seeking monetary relief. One count remains, but all counts demanding monetary relief have been dismissed and the client was thrilled with the ruling by the court.

This result was obtained in an economical manner because K&M made the decision to file a motion to dismiss the case right at the beginning instead of engaging in discovery that would have been costly to the client.
